

USED TIRE PROGRAM

Starting **September 1st**, Ontario will begin an industry-funded tire-recycling program. It will be delivered by Ontario Tire Stewardship (OTS), and funded by fees the OTS will collect from tire manufacturers, brand owners and importers.

The Town of Spanish has registered as a COLLECTOR and therefore, you are now able to bring your used tires to the Spanish Landfill for FREE. (Maximum four (4) tires at a time)

This is a scrap tire solution for On-road and Off-road tires, by diverting them away from the landfill and burning for fuel. For more information go to the website at:
