December 8, 2017

Dear Seasonal Boater:

Although winter has yet to set in, it is time to start thinking about next year's boating season.

The Spanish Marina strives to provide excellent service at a reasonable and stable cost, and have been able to do so over a number of years. The rates remained the same from 2010 to 2013. A modest increase of 50¢ per foot was applied for the 2014 season, which remained in place until now. We all know and understand that the costs continue to increase for maintenance, hydro, wages, etc. After much contemplation the municipality will be increasing the fees at the marina and a copy of the rates are enclosed for your information.

If you've already booked for next year, we thank you. If you haven't booked, please remember that you must pay your deposit of \$150, plus HST, for a total of \$169.50 **and** return a completed mooring agreement by December 31<sup>st</sup> to reserve the same slip you had in 2017. After that date all unreserved docks will be assigned on a first come, first served basis. Payment may be made in person or by credit card by calling the municipal office – 705-844-2300.

Enclosed you will also find a copy of the Spanish Marina rules and regulations for your information. Also, a couple of reminders:

- Pumping of fuel into a vessel must be done by a marina employee.
- We will accept post-dated cheques for payments, however all cheques must clear prior to your boat being launched/docked or May 31<sup>st</sup> to guarantee a space.
- The marina has a couple of Smart "Y" 50 cords for sale for \$300 – if interested please give us a call.

Have a great winter. We look forward to seeing you next year.

Thank you.

Sincerely yours,

Pam Lortie  
CAO/Clerk-Treasurer
