EMERGENCY PREPAREDNESS

An emergency is a situation that poses an immediate threat to human life or serious damage to, property.

You should have a survival kit ready, food for 72 hours for everyone in the household and include games and activities to keep everyone busy.

Also, pack a survival kit and food for your pet.

* * Always listen to emergency workers especially if you are told to leave your home or workplace immediately.

The Spanish Medical Committee would like to thank all those who helped with their fundraising efforts throughout the years. To those who donated food and items to the Christmas Market, helped with organizing or any of the other little jobs that needed to be done, thank you!

All the best in the new year to everyone from the Spanish Medical Committee

Accessibility Plan

Please note that the Accessibility Plan is available to be picked up at the Municipal office upon request.

You can find it on the Town of Spanish website as well.

Winter Reminders:

- Please refrain from parking on the streets in the winter months so the plow is able to clean the streets.
- Make sure your garbage and recycling is not in the way of the snow plow.
- Do not push the snow from your yard into the roadway. This can be dangerous to passing vehicles.
- Know where your water line and sewer lines or septic system is located and try to avoid travelling or removing snow from these areas. This may assist in avoiding frozen lines.
- If you are travelling this winter, please remember to make arrangements to have your driveway cleared in case emergency vehicles, i.e. fire trucks need to respond to a call

Spanish Our Town, Our Future

Council has retained a highly capable team of economic development planners to update our Strategic Plan. Residents are invited to participate in providing input into the **future** of your community. Stayed tuned for ongoing invitations to participate and voice opinions, ideas and suggestions as we move forward with community meetings. We strongly encourage our youth, families, seniors, businesses, tourism and health sectors to get involved. Let's get together to exchange ideas on how we want to shape and grow our community.
