OUR TOWN OUR FUTURE

Community Meeting-Strategic Planning Process

A public meeting is tentatively scheduled for Thursday, March 8th, 2018 commencing at 6:00 p.m. at the Four Seasons Waterfront Complex. Watch for more information.

Our Strategic Plan will outline where the Town of Spanish is going, so that we are all working with the same information. We will look at our long term goals and actions. Let's get this plan right to ensure we deliver a great quality of life for all our residents. We need your input on our future of our community.

Stop by the Meet and Greet Station and chat with the Mayor.

There will be a coloring and art event. We are asking the children of our community to draw how they see their community in 10 year's time. Have your child/children bring their art work with them and drop off at our Art Station, where they will be displayed. The submissions may become part of a collage that would make up the cover art for the final Strategic Plan document.

We will have a refreshment station with tea, coffee, hot chocolate and apple cider.

Door prizes will be drawn throughout the evening.

6:00 p.m. Drop in and learn more about the Strategic Planning Process as well to provide comments.

7:00 p.m. Presentation by our consultants/staff- purpose of study, and work completed to date.
