Municipal Hazardous and Special Waste Collection Day

The City of Elliot Lake has generously invited the residents of the Town of Spanish to participate in their Hazardous and Special waste collection day. The Hazardous waste day will take place on September 2nd, 2020 from 11 am – 7 pm at 3 Timber Rd. in Elliot Lake.

The flyer is available on our website and is also posted at local businesses in town.

PROPERTY STANDARDS

Council passed a motion at a regular meeting in August, to have the Property Standards Officer conduct property inspections starting with the Downtown Core. The Property Standards Officer is Mr. Richard Paquette, of the Rainbow District Animal Services and By-Law Enforcement. He will introduce himself and provide a “Preliminary Notice” to indicate any violations of the Municipality’s Property Standards By-Laws. We are seeking the cooperation of ratepayers in the endeavor so that all will benefit from making our community more attractive.

TO ALL RESIDENTS

Please ensure that the municipal office has your correct contact information, i.e. phone number. If we have this information, we can call you in the event of a scheduled repair to give you time to prepare. We thank you for your cooperation!

TOWN OF SPANISH REOPENING PLAN

The **Municipal Office** is now open by appointment for property, building, planning, cemetery issues, etc.

Please call for details.

Payments can be made online or dropped down the Library book deposit at the front door. Please place your payment, along with your bill in an envelope. A receipt will be issued.

Council meetings have resumed in the Council Chambers and are open to the public. The public will be required to register their intent to attend the meeting by 4:00 p.m. on the Friday prior to the council meeting by calling the municipal office. Council meetings are held the first and third Wednesday of each month and agendas and minutes are posted on the web-site.
