TOM JONCAS LAST BELL – MARCH 9, 2024

Tom was a member of the Spanish Fire Department from 1986 -2011. His years of service and dedication to his community as a Firefighter and Fire Prevention Officer, will be remembered.

The life of a firefighter is closely associated with the ringing of a bell.
As he begins his hours of duty; it was the bell that started it off. Through the day and night,
each alarm
is sounded by a bell, that called him to fight fire and to place his life in jeopardy for the
good of his fellow man.
And when the fire is out and the alarm has come to an end, the bell rings three times to
signal the end.
And now Tom Joncas has completed the task, his duties well done and the bell
rings three times in memory of, and, in tribute to, his life and service.

Rest in peace Tom, and thank you for your service.
